INTRODUCTION

The 2016-17 Nebraska Athletics Academic Achievement book highlights the academic and leadership achievements of Husker student-athletes. The information in this book is useful to review prior to meeting with prospective students, alumni and current student-athletes regarding the success of their peers. The Hewit Academic Center staff congratulates the individual student-athletes and their coaches for their significant achievements during the 2016-17 academic year.

The “Highlighting the Huskers” pages showcase the stellar achievements that are further detailed throughout the book. The Husker academic program has consistently led the nation in CoSIDA Academic All-Americans in NCAA Division I. This past year, four Husker student-athletes were named CoSIDA Academic All-Americans, increasing Nebraska’s nation-leading total to 329. Nebraska’s total is 74 more than No. 2 Notre Dame. Nebraska continues to lead the nation with 17 NCAA Today’s Top 10 Award winners. This award is considered the highest level of honor in NCAA recognition.

Nebraska had 121 student-athletes graduate between December of 2016 and August of 2017. Since 1892, 6,139 Nebraska student-athletes have both lettered and graduated from the University.

The Academic Achievement in Athletics book also highlights other historic accomplishments by Nebraska student-athletes, including the 96 Huskers who have earned NCAA Postgraduate Scholarships since 1970, the 89 Huskers who have earned prestigious 1A FAR Academic Excellence Awards since 2011, and the 11 Huskers who have claimed NCAA Elite 90 awards since 2010.

Over 1,200 guests were in attendance for the annual Night at the Lied on April 9, 2017 to celebrate academic and life skills excellence. At the event, 293 student-athletes were honored for earning a 3.0 or higher grade-point average. Herman Team GPA awards were presented to the men’s gymnastics and women’s swimming and diving teams. Drew Wiseman and Tierra Williams from the men’s and women’s track and field program were chosen as the 2016-17 Nebraska Student-Athletes of the Year for their commitment to excellence in academics, athletics and service. Wiseman and Williams (pictured on the front cover) also captured Nebraska’s Big Ten Medals of Honor.

The Hewit Academic staff is honored to work with Nebraska’s incredible student-athletes. The staff believes student-athletes should be recognized for their hard work and dedication to academics, athletics and outreach. The 2017-18 academic year will bring new successes by student-athletes in the classroom, in competition and in the community.

University of Nebraska student-athletes produced another outstanding year in the classroom, the community and in competition to continue NU’s tradition of success in 2016-17. The Huskers increased their nation-leading total of all-time CoSIDA Academic All-Americans to 329 with four academic All-Americans across all sports.

Nebraska continued to be the only school in the nation with 300 CoSIDA Academic All-Americans, leading the Massachusetts Institute of Technology (271) across all divisions. In NCAA Division I, the Huskers maintained their lead over No. 2 Notre Dame (255), while Stanford ranks No. 3 in Division I with 213. Nebraska remains one of just four schools across all divisions with 200 or more CoSIDA Academic All-Americans. NU also extended its nation-leading streak to 46 consecutive years with at least one academic All-American.

A record-setting total of 731 awards were issued for the Nebraska Scholar-Athlete Fall (382) and Spring (349) Honor Rolls, recognizing Husker student-athletes who produced a 3.000 GPA or better during a semester. Among that group, Huskers produced a record 98 perfect 4.000 GPA semesters. A total of 59 Nebraska student-athletes also were honored as Big Ten Distinguished Scholars for posting 3.700 grade-point averages or better and lettering in their respective sports in 2016-17.

Nebraska’s CoSIDA Academic All-America success continues to set the standard for the more than 2,100 NCAA, NAIA and NJCAA institutions across North America. The Husker football team leads all individual sport programs in the nation with 107 all-time CoSIDA Academic All-America awards, while the Nebraska volleyball (38, No. 1) and softball (30, No. 3) programs are two of only three women’s teams across all sports with 30 or more awards.

The Nebraska men’s track and field program continued its run of success off the track with Drew Wiseman capturing CoSIDA Academic All-American-of-the-Year honors in 2017. Wiseman, a senior hurdler from Bismarck, N.D., was also a first-team CoSIDA Academic All-American in 2015. As a senior, Wiseman also claimed the NCAA Elite 90 Award for owning the top GPA at the 2017 NCAA Men’s Outdoor Track and Field Championships. A six-time All-American on the track, Wiseman was also Nebraska’s Male Student-Athlete of the Year and the Big Ten Medal of Honor winner.

Nebraska’s 44 combined CoSIDA Academic All-America honors since 2002 for the men’s and women’s track and field program lead the nation. The Husker men’s and women’s track and field programs have combined for a total of 58 CoSIDA Academic All-America awards since 1985.
Four-time AVCA All-American Kadie Rolfzen added a first-team CoSIDA Academic All-America award for the Nebraska volleyball program in 2016-17. Rolfzen, who was a first-team All-American on and off the court for the Huskers in 2016, took her academic season even further by claiming a prestigious NCAA Postgraduate Scholarship worth $7,500. The senior from Papillion, Neb., pushed Nebraska volleyball’s nation-leading total across all women’s sports to 38.

Nebraska soccer senior Caroline Flynn (Lincoln, Neb.) added a first-team CoSIDA Academic All-America award of her own during the fall of 2016, while Danielle Breen continued the academic success of the Nebraska women’s gymnastics program by earning a second-team CoSIDA Academic All-America award in the women’s at-large category during the spring. Breen, a junior from Ames, Iowa, has posted a perfect 4.0 grade-point average as a Husker.

Jennie Laeng, a senior from West Middlesex, Pa., also produced a pair of impressive academic honors for the Husker women’s gymnastics program. Laeng earned a Big Ten Postgraduate Scholarship before adding a prestigious NCAA Postgraduate Scholarship. Each of those awards is worth $7,500. Wrestling’s Eric Coufal, a senior from Howells, Neb., added a Big Ten Postgraduate Scholarship on the men’s side for the Huskers.

Nebraska Female Student-Athlete-of-the-Year Tierra Williams from women’s track and field completed a sweep of the Student-Athlete-of-the-Year awards for the track program. Williams added a Big Ten Medal of Honor.

HUSKERS CELEBRATE GRADUATIONS OF 121 STUDENT-ATHLETES

Across all sports, a total of 121 Husker student-athletes earned their bachelor’s degrees from the University of Nebraska from December 2016 through August of 2017. Nebraska’s large class of 57 student-athlete graduates in December of 2016, joined 54 graduates in May of 2017, while 10 Huskers earned their degrees in August of 2017.
HUSKERS PRESENT 900 AWARDS AT “A NIGHT AT THE LIED”

293 HUSKERS HONORED AT 27TH ANNUAL STUDENT-ATHLETE AWARD CEREMONY - “A NIGHT AT THE LIED”

The University of Nebraska Athletic Department took one special night to honor its own student-athletes at the 27th annual Student-Athlete Award Ceremony. “A Night at the Lied” featured a red carpet flavor resembling the Emmys, the Oscars and ESPYs. The special event, which included the presentations of 293 honor medallions to high-performing Husker student-athletes, also recognized several outstanding performances.

In addition to Drew Wiseman and Tierra Williams earning Nebraska’s top individual honors as Student-Athletes of the Year, Coach Chuck Chmelka’s men’s gymnastics team (3.480 GPA) and Coach Pablo Morales’ women’s swimming and diving team (3.578 GPA) claimed the 23rd annual Herman Awards. The awards are presented to the Husker squads with the top team grade-point averages. The men’s gymnastics team won its first Herman Award since 1999, while the women’s swimming and diving team claimed its third consecutive honor.

NEBRASKA FEATURES EXCEPTIONAL BENEFITS DESIGNED TO INCREASE OPPORTUNITIES FOR ALL STUDENT-ATHLETES

In August of 2014, the NCAA Division I Board of Directors restructured the way member institutions and conferences, including the Big Ten, can govern themselves. This change has paved the way for Nebraska to enhance the benefits and experiences for its student-athletes.

In 2016-17, all scholarship student-athletes across all sports had their scholarship calculated based on the full cost of attendance at Nebraska. Every student-athlete was offered an Apple MacBook Air laptop computer to enhance their learning opportunities. Nebraska also has created the first known Post-Eligibility Opportunity (PEO) program, where every student-athlete who has graduated, lettered and exhausted their athletic eligibility has the opportunity to pursue an internship, participate in a study abroad program or attend graduate school with Nebraska’s support.

38 States Represented by Huskers in 2016-17
Nebraska also has increased its resources and support in all academic and performance-related areas, including Academic Services, Life Skills, Athletic Medicine, Athletic Training, Strength and Conditioning, the Nebraska Athletic Performance Laboratory, Nutrition and Dining Services and Sports Analytics.

**HUSKERS EARN 209 ACADEMIC ALL-BIG TEN AWARDS IN 2016-17**

Across all sports, Nebraska student-athletes captured 209 academic All-Big Ten selections in 2016-17, while 59 Huskers captured Big Ten Conference Distinguished Scholar awards. Those student-athletes produced 3.700 or better grade-point averages during the fall and spring semesters of 2016-17, while also earning letters in their respective sports. Husker student-athletes also earned a record-731 spots on the Nebraska Scholar-Athlete Honor Roll during the fall or spring semesters of 2016-17. To earn a spot on the honor roll, a student-athlete must earn a 3.000 grade-point average during the semester. During the fall or spring semesters, a record-98 Husker student-athletes produced perfect 4.000 semester GPAs.

**NEBRASKA’S GSR, APR CLIMB TO RECORD LEVELS**

Nebraska’s Graduation Success Rate (GSR) continued to climb to record levels for the fourth consecutive year. Nebraska’s 88 percent GSR across all sports was the best mark in school history. In addition, each of Nebraska’s athletic programs achieved an NCAA Academic Progress Rate (APR) of 977 or higher - the best marks in school history. It represented the third consecutive year that all of Nebraska’s teams scored 950 or better in the APR.

As part of its commitment to providing a pathway to opportunity, the NCAA awards scholarships and grants for further education to college athletes who demonstrate outstanding academic and athletic achievement. Colleges and universities are also awarded grants to improve academics and enhance campus culture—all to support student-athletes.

In addition to the $2.9 billion schools award in athletics scholarships each year, the NCAA funds more than $10 million in scholarships and grants annually to graduate student-athletes and member schools.

The Elite 90, an award founded by the NCAA, recognizes the true essence of the student-athlete by honoring the individual who has reached the pinnacle of competition at the national championship level in his or her sport, while also achieving the highest academic standard among his or her peers. The Elite 90 is presented to the student-athlete with the highest cumulative grade-point average participating at the finals site for each of the NCAA’s 90 championships.

AWARD CRITERIA

The student-athlete must be at least a sophomore academically and athletically, and in at least his or her second year (in any sport) at his or her current institution.

The student-athlete is an active member on the roster, eligible for the championship, and a member of the designated squad size at the championship site in sports with squad size limitations.

Credits completed shall only consist of those credits accumulated at the current institution and shall not include any transfer or AP credits.

Only undergraduate GPA is applicable. If the student-athlete has graduated and is in graduate school, he or she is still eligible for the award but consideration will be based strictly on an undergraduate GPA. Graduate students must be in good academic standing with the university.

WAYNE DUKE POSTGRADUATE SCHOLARSHIPS

The Wayne Duke Postgraduate Award is named for the former Big Ten Conference commissioner who served from 1971 to 1989. While leading the Big Ten, Duke spent much of his time working to improve academic standards and graduation rates for student-athletes.

The Wayne Duke Postgraduate Award is presented by the Indianapolis Big Ten Community Partnership. The Award is an annual scholarship recognizing one male and one female Big Ten senior student-athlete pursuing a postgraduate degree for achievements in academics, athletics, civic service and leadership. Each Big Ten institution may nominate one male and one female student-athlete.

The NFF National Scholar-Athlete Awards were established in 1959 as the first initiative in history to honor scholar-athletes with postgraduate scholarships for their combined athletic, academic and leadership abilities. To date, the program has awarded more than $11.1 million to 828 individuals since its inception. The program currently provides approximately $250,000 each year in postgraduate scholarships to the nation’s top scholar-athletes from all levels of collegiate play.

Nominated by their schools, which are limited to one nominee each, candidates must be a senior or graduate student in their final year of eligibility, have at least a 3.2 GPA on a 4.0 scale, have outstanding football ability as a first-team player or significant contributor and have demonstrated strong leadership and citizenship. The NFF Awards Committee, which is comprised of a nationally recognized group of media, College Football Hall of Fame inductees and athletic administrators, traditionally selects 12-15 scholar-athletes for these prestigious $18,000 scholarships.

The committee also designates one of the recipients as the top college football scholar-athlete in the nation, an honor that comes with The William V. Campbell Trophy (renamed from the Vincent dePaul Draddy Award in 2009). The Campbell Trophy comes with a $25,000 scholarship.

HERMAN TEAM GPA AWARDS

The concept for the Herman Team Grade Point Average awards was developed by the Student-Athlete Advisory Committee in 1994 to recognize and promote academic achievement among intercollegiate teams. In recognition of the generous contribution made by Dick and Dale Herman to support the annual Academic Recognition Night for Student-Athletes, the Team GPA Award has been named in their honor. The 2016-17 athletic season marked the 23rd annual presentation of the awards.
