The coaching staff at the University at Albany conducts camps and clinics in a wide variety of sports. These clinics are beneficial to the community at large; allowing coaches and staff the opportunity to share their knowledge and expertise in their respective sport. In all cases, the University at Albany Department of Athletics is committed to ensure that its clinics are open to the public and in compliance with all NCAA and University rules. The University at Albany recommends a 1 to 10 ratio of counselors to participants for all camps and clinics held on campus. Please note that all camps and clinics conducted by University at Albany coaches must be approved per guidelines established by the University at Albany and the Department of Athletics.

Per NCAA Bylaw 13.12.1.1, an institution's sports camp or instructional clinic shall be any camp or clinic that is owned or operated by a member institution or an employee of the member institution's athletics department, either on or off its campus, and in which prospective student-athletes participate.

*Coaches are responsible for reviewing all regulations in Bylaw 13.12 of the NCAA Division I Manual.*

**INSTITUTIONAL CAMPS AND CLINICS POLICY**

1. **FACILITY AVAILABILITY**

   Camp Directors should submit their camp/clinic requests to the Assistant Athletic Director for Facilities or Designee, through the Institutional Camps and Clinics Request Form in ARMS.

   Conditional approval will be granted based on availability. It is the Camp Director's responsibility to obtain the necessary approvals as outlined in this document.

2. **PAPERWORK**

   The University recognizes all summer camps as external facility rentals. Therefore, a revocable permit must be obtained and the application can be found at the following link: [http://www.albany.edu/controller/revocable_permits.php](http://www.albany.edu/controller/revocable_permits.php). The permit application, certificate of insurance and $50 application fee must be submitted in a single packet addressed to the University Controller’s office at least 30 days in advance. Please allow two weeks for approval. The Controller's Office will contact the Camp Director (and copy the Assistant Athletic Director for Facilities or Designee,) via email when the permit is approved or if additional information is required.

   Complete the camp and clinic reservation request form electronically to the Compliance and Facilities personnel. Camp Directors will be notified via email when their request has been approved. The event(s) will not be considered confirmed until the revocable permit has been approved AND you have received written approval from the Compliance and Facilities offices.

3. **INSURANCE**

   The insurance requirements are outlined on the permit application. Camp Directors may choose to purchase an individual insurance policy or a group insurance policy with other University at Albany Camp Directors who also plan to host summer camps. Camp Directors are encouraged to
obtain a policy that will cover their organization for the entire year (or at least the summer) and not just the specific camp dates. If a camp is hosted on a date not covered by your policy, Camp Directors will be held personally liable for any damages and/or injuries that may occur.

4. UNIVERSITY AFFILIATION AND PROMOTIONAL ITEMS

Camp Directors are not permitted to advertise or promote summer camps until they have received an approved revocable permit and confirmation from the Assistant Athletic Director for Facilities or Designee.

Camps are not affiliated with the University at Albany, they are simply hosted on University property. Camp Directors are not permitted to make any statements in advertisements that associate their camp with the University. For example, it can be John Doe’s Luge Camp at the University at Albany, but cannot be the University at Albany Luge Camp. University at Albany logos are not permitted on any promotional materials. Camp Directors are not permitted to use University materials (paper, envelopes, mail services, etc.) in conjunction with camps. All communication regarding camps must be via personal phone, fax, email and/or website.

The University at Albany is not permitted to promote camps on its website, or any affiliated website, however it is permissible to provide a link from the University’s website to the camp website, if applicable.

University employees, particularly those in media relations/web development, are prohibited from designing any promotional materials for camps.

A brochure may not exceed 17” x 22” in size when opened in full.

A picture of a University at Albany student-athlete with remaining eligibility may appear in the brochure only if the student-athlete will be employed at the clinic. Such pictures may appear only in a specifically designated camp counselor section of the brochure. Please keep in mind the previously stated policy regarding University affiliation and use of logos.

All camp brochures and promotional materials must be reviewed and approved by the Office of Compliance Services and the Facilities Office before they are distributed.

5. RESIDENTIAL CAMPS

Contact the Department of Residential Life to inquire about availability and pricing information for overnight camps. Additional insurance may be required by the University Controller's office for overnight camps.

6. MEAL SERVICES

Contact University Auxiliary Services (UAS) to inquire about food service availability and pricing for campers. Please note that Sodexo has exclusivity on campus and has the first-right of refusal for food services. The appropriate approvals must be obtained prior to using an off-campus food

service provider.

7. FACILITY SET UP

Submit any facility set up requests to the Assistant Athletic Director for Facilities or Designee at least two weeks prior to the start of your camp. It is the responsibility of the Camp Director to coordinate field set up (e.g., lines, goals, etc.) with the Grounds Manager. Portable toilet requests may be made via the Facilities Office but the cost of the units will be at the Camp Director's expense.

8. RENTAL FEES

ALL camps will be charged rental fees, based on facility usage and hours of operation. Camp Directors will receive an invoice within two weeks of the conclusion of camp. Full payment is required 30 days thereafter.

9. PARKING

The Facilities Office will review the designated parking areas with each Camp Director. A parking fee will be applied to all weekday camps hosted between the hours of 7am-6pm.

10. CAMPUS FOUNTAINS

The podium fountain and main entry fountains are not water recreation areas. They were not constructed to be safe for use as a pool. Please ensure campers do not enter the water.

11. ATHLETIC TRAINERS

Camp Directors may employ certified athletic trainers to support summer camp events. For liability purposes, University employed athletic trainers who are not hired by the Camp Director are prohibited from providing any medical assistance during the camp.

12. TIME ACCRUALS

Since camps are considered to be private business ventures, University employees who are also employed by the camp must charge the appropriate vacation time through the campus’ online leave reporting system. Supervisors are responsible for reviewing online submittals for accuracy. For verification purposes, Camp Directors are responsible for submitting a list of camp employees to the Assistant Athletic Director for Compliance and the Assistant Athletic Director for Facilities at least one week prior to the start of each camp session.
