Please do not enter athletes in multiple events unless you are sure they plan to compete. It really affects the heats if you do this. (Example: 10K - 5K)

Please do not bring your athletes if you know that they cannot hit these marks.

This is NOT a participatory type meet. Only bring athletes who will hit the minimum standards.

We will be verifying results from 2016 and 2017 as much as we can. I have a work study student who needs the hours. If it is obvious that a seed mark is off, we will not accept the entry. We are good at projecting times based on times of other events. We will try to be as fair as possible. Call me if there are extraordinary circumstances.
