

Hoop Group Elite Injury Waiver and General Release

MUST BE RETURNED PRIOR TO ANY PARTICIPATION AT HOOP GROUP ELITE EVENT

As a participant at Hoop Group Elite or any of its camps and clinics, I acknowledge that participation in any of said events exposes me to a possible risk of personal injury. I, hereby release Hoop Group Elite and any of its officers, directors, employees, agents, licensees, subsidiaries, consultants, independent contractors and affiliates from any and all liability for property damage, personal injuries or other claims arising from or in connection with my participation, including claims that are known and unknown, foreseen and unforeseen, future or contingent. I represent that I am in good physical condition with no known medical condition or problem that could limit my ability to safely participate in the Hoop Group Elite events, including but not limited to it's camps and clinics.

This release also gives Hoop Group the absolute and irrevocable right and permission with respect to the photographs/video that they have taken of me or in which I may be included with offers. Hoop Group has the ability to use, to re-use, publish and republish in whole or in part, individually or in conjunction with other photographs, in any medium and for any purpose whatsoever, including (but not always by limitation) illustration, promotion, advertising and trade.

I covenant that I will not now or at any time in the future, directly or indirectly, commence or prosecute any action, suit or other proceeding against Hoop Group Elite and or any of its officers, directors, employees, agents, licensees, subsidiaries, consultants, independent contractors and affiliates, arising out of or relating to the actions, causes of action, claims and demands hereby waived, released and discharged by me.

I acknowledge that I have read and fully understand this Injury Waiver and General Release Form. This agreement will be binding on me, my spouse, my children, my legal representatives and my heirs, successors and assigns.
